**HITACHI ID**

*I have to say the quality of the delegates is absolutely outstanding. This has got to be one of the best events that we have ever attended. The right kind of people are here, for the right reasons and for that, I'll definitely look at attending another Whitehall Media event soon. It's been a good event, one of the things that I like about the Whitehall Media events is that the attendees are interested in the exhibition and that works very well for us. Looking back over the years, this is one of the best we've been to.*
