Everyone here in attendance is high quality; everyone I have talked to is either a decision maker or knows what they are talking about in terms of what they need.

CLOUDERA
Sales Director

The attendance has been excellent, not only do you get people who understand business issues but also the technology side. The organisation has been really good, the communication has been excellent, so from our stand-point we will be looking at Whitehall Media events in future.

ACTUATE
Business Development Director

It is important that we pick the right events; we have to find events that will have to give us the most ROI. We've developed a lot of leads, all of those very high calibre. We thought it was a very good use of our budget.

There's been a lot of good customers, [we spoke to] people that didn't know our name which is the reason why you do come along to these events, so that people do get to know us.

GTT

Director of Cloud Sales & Marketing

It's been very good working with Whitehall Media, they're very professional, always available to help us out with any issues we might have.

SAP

Director of Consumer Industries

“

It's been a really good day for us; we've had people constantly at the stand. We attended this event last year and that's why we've come again this year. It has delivered.

QLIK

Marketing Campaign Manager

There's been a really good quality of delegates in attendance, it's worked very well as Whitehall Media always produce a good show with the right level of contacts with plenty of people coming around looking after us. Top marks to Whitehall Media.
